**STATEMENT OF FINANCIAL AFFAIRS FOR SAINT
VINCENTS CATHOLIC MEDICAL CENTERS OF NEW YORK**

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

I. Introduction

On April 14, 2010 (the "Petition Date"), Saint Vincents Catholic Medical Centers of New York ("SVMCMC") and certain of its affiliates (collectively, the "Debtors"), as debtors and debtors in possession, filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtors continue to operate certain components of their business and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Additionally, on April 21, 2010, the United States Trustee for the Southern District of New York appointed a statutory committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code.

On the date hereof, each of the Debtors, with the assistance of their management and advisors, filed the Schedules of Assets and Liabilities for Saint Vincents Catholic Medical Centers of New York, et al. (collectively, the "Schedules") and the Statement of Financial Affairs for Saint Vincents Catholic Medical Centers of New York, et al. (collectively, the "Statements," and, together with the Schedules, the "Schedules and Statements") pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure. Mr. Steven Korf, the Debtors' Chief Financial Officer, executed the Schedules and Statements in his capacity as an authorized signatory of the Debtors. In reviewing and executing the Schedules and Statements, Mr. Korf relied upon the efforts, statements and representations of various personnel of the Debtors and the advice of counsel and other professional advisors of the Debtors. Mr. Korf has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

In addition, while the Debtors have made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible based on the information that was available at the time of preparation, (i) additional information, or subsequent discovery thereof, may result in material changes to these Schedules and Statements and (ii) inadvertent errors or omissions may exist. Furthermore, because the Schedules and Statements contain unaudited financial information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Accordingly, the Debtors reserve all rights to amend, supplement or otherwise modify the Schedules and Statements to the extent that they deem necessary and appropriate. Notwithstanding any such right, the Debtors shall not be required to update the Schedules and Statements. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any rights or claims of the Debtors against any creditor or other third party, or in or with respect to any of these chapter 11 cases.

II. General Notes

These General and Specific Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtors' Schedules and Statements (the "General Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements. These General Notes are in addition to the specific notes contained in the Schedules and Statements. The fact that certain General Notes may apply to only particular Schedules or Statements does not exclude the applicability of such General Note to any or all of the Debtors' remaining Schedules or Statements, as appropriate.

A. Accounts Receivable

The accounts receivable information included in the Schedules and Statements has been listed as net realizable values as of March 31, 2010.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

B. Causes of Action

Despite reasonable efforts, the Debtors may have inadvertently failed to identify and/or set forth as assets all of their filed or potential causes of action against third parties. The Debtors reserve all rights with respect to any such potential causes of action and nothing contained in the General Notes or the Schedules and Statements shall be deemed a waiver of any right to prosecute or defend against such causes of action.

C. Certain Funds Not Property of the Debtors' Estates

The Debtors received certain donations and grants, testamentary or otherwise, which were provided subject to restrictions (contractual or otherwise) on the use of such funds and are known as "Restricted Use Funds" or "Third-Party Grants." These funds may not be property of the Debtors' estates. Accordingly, the Debtors have not listed any of the donors or grantors that may have an interest in the "Restricted Use Funds" or the "Third-Party Grants" as creditors of their estates in the Schedules and Statements.

In conjunction with the real property located at 555 6th Avenue, New York New York (known as the "Staff House"), the Debtors hold security deposits (collectively, the "Staff House Security Deposits") for the various tenants of the Staff House that who have lease agreements with the Debtors. The Debtors believe that these security deposits are not property of the Debtors' estates. Accordingly, the Debtors have not listed the tenants that may have an interest in the Staff House Security Deposits as creditors in the Schedules and Statements.

In the ordinary course of operating their long-term care facilities, the Debtors maintain trust fund accounts (collectively, the "Resident Funds") for the residents of the long-term care facilities. The Resident Funds are not property of the Debtors' estates, but instead are held by the Debtors for the convenience of the long-term care residents. Accordingly, the Debtors have not listed the long-term care residents that may have an interest in the Resident Funds as creditors in the Schedules and Statements.

D. Claims Designations and Claims of Third-Party Related Entities

Although the Debtors made every effort to properly classify each claim listed in the Schedules and Statements as being either disputed or undisputed, liquidated or unliquidated and contingent or noncontingent, the Debtors may not have been able to fully reconcile all payments made to third parties and their related entities on account of the Debtors' obligations to such entities and their affiliates. Accordingly, any failure of the Debtors to designate a claim identified on their Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is "undisputed", "noncontingent" or "liquidated." Further, the Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds whatsoever, including the amount, liability or classification, and to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated." Identification of a claim on the Schedules and Statements shall not constitute an admission of liability by the Debtors.

E. Confidentiality

Specific disclosure of certain claims, names, addresses or amounts may be subject to certain disclosure restrictions contained in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), or otherwise, and in any event, are of a particularly personal and private nature. To the extent the Debtors believe a claim, name, address or amount falls under the purview of HIPAA or includes information that is personal or private in nature, such claims, name, address or amount (as applicable) is not included in Schedules and Statements.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER
REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

F. Currency

All amounts are reflected in U.S. Dollars ("USD").

G. Easement Interests

The Debtors may have granted easement interests to one or more third parties in connection with their owned real estate. In addition, the Debtors may have been granted easement interests by one or more third parties. Any such easements have not been specifically identified in the Schedules and Statements.

H. Excluded Assets and Liabilities

In accordance with the General Methodology identified in the General Note II.K, the Debtors have not expressly identified certain assets in the Schedules and Statements, including goodwill, customer relationships and trade names. Although the Debtors have made every effort to ensure the accuracy of the Schedules and Statements, it would have been unduly burdensome and costly to list the thousands of individual items constituting the Debtors' assets (including miscellaneous office equipment, furnishings, machinery, fixtures and inventory) in the Schedules and Statements. Accordingly, there may be certain assets, including those with a net book value of zero, that are not specifically listed on the Schedules and Statements, although they are accounted for in each category of such assets.

In accordance with the General Methodology identified in General Note II.K, the Debtors have also not expressly identified certain liabilities from the Schedules and Statements, including tax accruals and other accrued liabilities. Liabilities resulting from non-specific accruals and/or estimates of long-term liabilities which are not payable at this time given that they (i) have not been approved for payment in accordance with the Debtors' normal procedures or (ii) have not yet been reported, and, therefore, do not represent specific claims as of the Petition Date, have not been expressly identified in the Schedules and Statements.

In addition, in the ordinary course of business and consistent with the charitable mission of the Debtors, prior to the Petition Date, certain individuals and organizations may have loaned the Debtors certain religious artwork, archival materials and other property for display or use. In certain instances, the applicable donor retained the ownership of the underlying property and, as such, such property would not be property of the Debtors' estates. Such property, as a result, is not listed in the Schedules and Statements.

I. Financial Reporting

Each of the Debtors is a privately-held company. For financial reporting purposes, the Debtors prepare, and at certain times issue, audited, consolidated financial statements. These financial statements, however, are not issued and/or distributed by the Debtors and are not reflected in the Schedules and Statements. Rather, the Schedules and Statements identify the Debtors' stand-alone assets and liabilities and were not prepared in accordance with generally accepted accounting principles ("GAAP"). Accordingly, the Schedules and Statements are not intended to fully reflect the financial statements prepared by the Debtors.

J. Fiscal Year

The Debtors' fiscal year covers the period January 1 through December 31.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

K. General Methodology

The Debtors prepared the Schedules and Statements relying primarily upon the information set forth in their books and records. Consequently, certain assets and liabilities that are not identified in the normal course of business in the Debtors' books and records may not be included in the Schedules and Statements. Nevertheless, in preparing these Schedules and Statements, the Debtors made reasonable efforts to supplement the information set forth in their books and records with additional information concerning assets and liabilities that may not have been identified therein.

Any reference to "none" with respect to a specific category of assets and liabilities in the Schedules and Statements indicates that such assets or liabilities were neither listed in the Debtors' books and records nor otherwise specifically identified by the Debtors in their supplemental research. Although a category may have the answer "none," there may, in fact, be certain assets or liabilities relating to such category and the reference to "none" is not a waiver of the Debtors' rights with respect to such entry.

L. Guarantees and Other Secondary Liability Claims

The Debtors used their best efforts to locate and identify guarantee obligations and other secondary liability claims in each of their executory contracts, unexpired leases, secured financings, debt instruments and other such agreements (collectively the "Guarantees"). Where such Guarantees have been identified, they have been included in the relevant Schedules and Statements. In the event that the Debtors inadvertently failed to identify certain Guarantees, the Debtors reserve the right to amend the Schedules and Statements accordingly.

M. Insiders

Persons listed as "insiders" have been included for informational purposes only. The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider (as that term is defined in the Bankruptcy Code, or otherwise) for any other purpose and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Furthermore, the Debtors do not take any position with respect to: (i) such person's influence over the control of the Debtors; (ii) the management responsibilities or functions of such individual; (iii) the decision-making or corporate authority of such individual; or (iv) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the Bankruptcy Code or other federal laws or with respect to any theories of liability or for any other purpose.

N. Intellectual Property Rights

Failure to identify the Debtors' intellectual property shall not be construed as an admission by the Debtors that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, any inclusion of certain intellectual property shall not be construed to be an admission by the Debtors that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction. Further, the Debtors reserve any and all of their rights with respect to the legal status of any and all of their intellectual property.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

O. Intercompany Claims

Receivables and payables among the Debtors and their affiliates (each an "Intercompany Receivable" and "Intercompany Payable," respectively, and, collectively, the "Intercompany Claims") are included in the Schedules to the extent they are not duplicative of other listed amounts. Intercompany claims are listed as of April 14, 2010.

P. Inventories, Property and Equipment

Inventories referenced in the Schedules and Statements are stated at net book value. Property and equipment referenced in the Schedules and Statements is stated at cost, net of depreciation. All inventories, as well as all property and equipment, are presented without consideration of any potential liens.

Q. Prepetition v. Postpetition Liabilities

The Debtors allocated liabilities between the prepetition and postpetition periods based on the information available and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtors' allocation of liabilities between the prepetition and postpetition periods may change. The liability information, except as otherwise noted, is listed as of the close of business on April 14, 2010. Accordingly, the Debtors reserve all rights to amend, supplement or otherwise modify the Schedules and Statements as necessary and appropriate.

In addition, the liabilities listed on the Schedules do not reflect any analysis conducted by the Debtors regarding potential claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve any and all of their rights to dispute or challenge the validity of any claims asserted under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any transaction, document or instrument related to any creditor's claim.

R. Net Book Value of Assets

It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, the values for assets contained in the Schedules and Statements are net book values as of March 31, 2010. Consequently, amounts ultimately realized from the disposition of the Debtors' assets may materially vary from the stated net book value.

Certain of the Debtors' assets are listed in the Schedules and Statements with "undetermined" or "unknown" values as of the Petition Date because the net book values of these assets may materially differ from fair market values. Thus, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets as recorded on the Debtors' books and records as of March 31, 2010 and are not based upon any estimate of their current market value.

The Debtors reserve their right to amend or adjust the value of each asset or liability set forth herein.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER
REGARDING DEBTOR'S SCHEDULES AND STATEMENTS**

S. Paid Claims

Pursuant to certain orders entered by the Bankruptcy Court the Debtors have been authorized to pay certain outstanding prepetition obligations. Accordingly, certain outstanding prepetition liabilities may have been reduced by payments made by the Debtors postpetition. In addition, to the extent that the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or take other action as is necessary and appropriate to avoid over-payment or duplicate payments for any such liabilities.

T. Recharacterization

The Debtors have made reasonable efforts to correctly characterize, classify, categorize and/or designate the claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors' business, the Debtors may have improperly characterized, classified, categorized or designated certain items. Thus, the Debtors reserve the right to recharacterize, reclassify, recategorize or redesignate items reported in the Schedules and Statements as additional information becomes available, including whether contracts listed in the Schedules and Statements were executory as of the Petition Date or remain executory postpetition.

U. Reservation of Rights

Given the complexity of the Debtors' business, inadvertent errors, omissions or the over-inclusion of contracts or leases may have occurred. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability or the executory nature of any claim amounts, representation or other statement in the Schedules and Statements and reserve the right to amend or supplement the Schedules and Statements, if necessary.

Nothing contained in the Schedules and Statements shall constitute a waiver of the Debtors' rights or an admission with respect to these chapter 11 cases, including with respect to any issues involving the Debtors' ownership interests, substantive consolidation, equitable subordination, defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws.

V. Totals

All totals that are included in the Schedules and Statements represent totals of all known and determined amounts based upon the Debtors' books and records. To the extent there are unknown or undetermined amounts, the actual total may differ from the total in the Schedules and Statements.

W. Undetermined Amounts

The description of an amount as "unknown," "undetermined" or "unliquidated" is not intended to reflect the materiality of such amount.

Specific Notes

Disbursements and other transfers identified in Statement 3(b) are made through the cash management system described in the Motion of Debtors for Interim and Final Orders (A) Authorizing Continued Use of Existing Cash Management Systems; (B) Honoring Certain Prepetition Obligations of The Debtors Related To The Cash Management System; (C) Maintaining The Existing Bank Accounts; (D) Continuing the Use of Existing Business Forms; (E) Waiving Investment and Deposit Guidelines of Bankruptcy Code Section 345(b); and (F) Scheduling a Final Hearing [Docket No. 9]. For purposes of response to Statement 3(b), the dates set forth in the "Payment Date" column relate to one of the following: (i) the date of a wire transfer; (ii) the date of an "ACH" payment; (iii) the issuance date for a check; and (iv) may include multiple payments on a single date. Payments do not include any payments and transfers among the Debtors and their debtor and non-debtor affiliates or periodic adjustments made to reflect reconciliations between the Debtors and third party insurers. To the extent that a professional listed on Statement 3(b) performs work both related and unrelated to the Debtors' restructuring efforts, payments may be duplicated between Statement 3(b) and Statement 9.

Specific Notes

In the ordinary course of doing business, commercial and governmental insurers perform periodic audits of payments made for services provided by the Debtors and their affiliates to determine if any overpayment or underpayment has occurred. Based on the results of these periodic audits, future payments are adjusted to "true-up" amounts due and owing to the Debtors and affiliates. These periodic adjustments are not included herein.
